

Aprille McShane

Visual Artist and Creative Facilitator (b,1975)

aprillemcshane@gmail.com | [@studioaprille](https://www.instagram.com/studioaprille) | aprillemcshane.com | publicartworks.co.uk

APPROACH STATEMENT:

My creative facilitation focuses on inclusivity, ensuring everyone feels welcome, valued, and able to participate fully. I prioritise wellbeing by creating supportive, flexible spaces that respond to individual needs. By focusing on process over outcomes, I encourage exploration, play, and curiosity, helping build confidence, spark joy, and nurture a lasting connection to creativity.
